On the 27th, in company with a cousin, we went fishing on the great Atlantic, 40 miles from New York City, and, for a wonder, I didn't get sea sick at all. We passed under the Brooklyn Suspension Bridge, across New York Bay to Tompkinsville, where the following war vessels were anchored: New York, Indiana, Brooklyn, Massachusetts, Texas,

FLOWER BEDS IN BRANCH BROOK PARK, NEWARK, N. J.

THE ORANGE CHRONICLE PARK SUPPLEMENT.

The beds have been bought, and it was intended for the use of the county to be made of it, and it will be devoted to the development and maintenance of the park system, in which the property will be located, in accordance with the plan of the county as a whole, and it will be the result of such plan.

OF ESSEX COUNTY.

HISTORY OF THE COMMISSION, WHAT HAS BEEN DONE.

The Outlook for the Future.

Just was discussed. The Newark Board of Trade was organized with the purpose of promoting the general welfare of the city, and it was one of its first acts to create a park commission. The commission was organized on the 15th of March, 1905, and its first meeting was held on the 22nd of the same month. The commission was organized with the purpose of promoting the general welfare of the city, and it was one of its first acts to create a park commission.

Herick Falls-South Mountain Reservation.

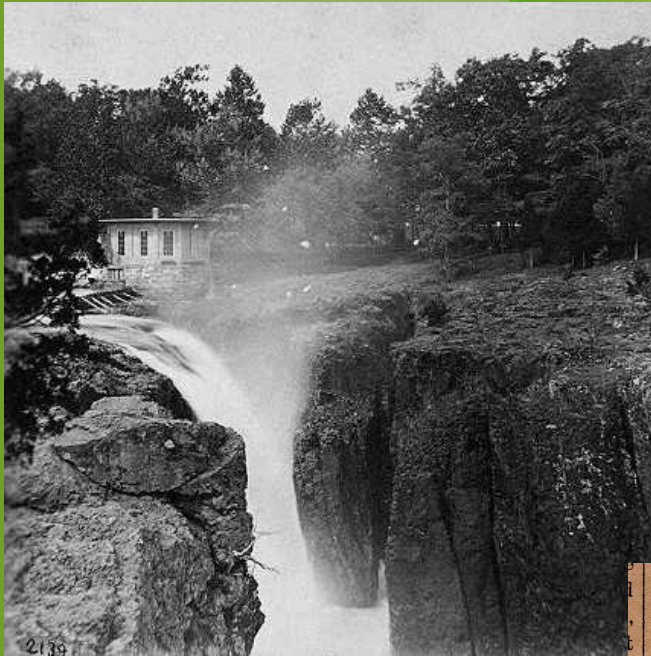

The Ryer Way-Eagle Rock Reservation.

The 28th we went to Newark, thence to Orange, thence to Eagle Rock, better known as the Essex County Park. It is a beautiful place for scenery; on the east one can look for miles. Jersey is quite a mountainous country, therefore

and in looking from the mountains and
not knowing the difference one would
think the towns all in one. A few days
ago I was up to see the Patterson Falls,
it is also a beautiful place.
Last Monday I went to Orange in the

it is also a beautiful place.
Last Monday I went to Orange in the forenoon, thence to New York, thence to Coney Island, the latter being a summer resort. The people were so thick that they remind one of sardines in a box, and every thing imaginable to catch the nickels. The prettiest sight I saw was

THEN & NOW

they found one of barges in a box, and every thing imaginable to catch the nickels. The prettiest sight I saw was the Searchlight at Fort Wadsworth like those used on the warships. We were about a mile away when it was turned onto our boat, and one could have seen r to pick up a pin on the water.
